UNIVERSITY OF WALES, BANGOR

COLLEGE OF PHYSICAL SCIENCES

Professor and Lecturer in Computer Science

Salary negotiable in Professorial Range (minimum £44,818 p.a.) or Lecturer Grade A: £24,352 - £27,929 p.a.

Applications are invited for two strategic positions within the Computer Science Department of the newly formed College of Physical Sciences. Applicants will be expected to play a leading role in developing research in key areas, and to work closely with the Technium Centre for Advanced Software Technology (CAST). We are particularly interested in individuals who can offer experience in one of the following areas: scientific visualization and computer graphics, particularly in the medical domain; artificial intelligence and intelligent agents; databases and data mining; pattern recognition; or communications. Applicants for the Chair position should note that the post of Head of the College of Physical Sciences will be advertised shortly and will be open to applications from internal and external candidates.

Applicants should have the appropriate academic credentials defined in the further particulars for the position sought and the enthusiasm and drive to carry out high quality research in an exciting, highly professional, multidisciplinary environment. They will produce research of a quality that is internationally excellent or world-leading. They should demonstrate the ability to provide research leadership, attract research funding and research students, to provide high-quality research supervision, to contribute to PG and UG teaching in both their specialist area and related areas, and to develop new modules and programmes as appropriate.

Application forms and further particulars should be obtained by contacting Human Resources, University of Wales, Bangor; tel: +44 (0)1248 382926/388132; e-mail: personnel@bangor.ac.uk; web: http://www.bangor.ac.uk

Please quote reference number 06-5/123 when applying for the Chair and reference number 06-5/124 when applying for the Lecturer.

Closing date for applications: Friday 7th April, 2006.

Informal enquiries can be made by contacting Professor Nigel W. John, e-mail: n.w.john@bangor.ac.uk tel: +44 (0)1248 382717. Additional information can also be found on the School of Informatics web pages: http://www.informatics.bangor.ac.uk
